Short Courses - General Management and Leadership ...

Course in General Linguistics is a book compiled by Charles Bally and Albert Sechehaye from notes on lectures given by Ferdinand de Saussure at the University of Geneva between 1906 and 1911. It was published in 1916, after Saussure's death, and is generally regarded as the starting point of structural linguistics, an approach to linguistics that flourished in Europe and the United States in

the first half of the 20th century. One of Saussure's translators, Roy Harris, summarized Saussure's cont
