Progressivism in the United States is a broadly based reform movement that reached its height early in the 20th century. It was middle class and reformist in nature. It arose as a response to the vast changes brought by modernization, such as the growth of large corporations, pollution and fears of corruption in American politics. In the 21st century, progressives continue to embrace concepts ...

Progressivism in the United States - Wikipedia

The history of American newspapers begins in the early 18th century with the publication of the first colonial newspapers. American newspapers began as modest affairs—a sideline for printers. They became a political force in the campaign for American independence. Following independence the first article of U.S. Constitution guaranteed freedom of the press.
