New guidelines from the American Academy of Pediatrics say you can take kids to baby swimming lessons starting at one year old. They won't be able to do it on their own, but it's about getting them ...

What Age Should Kids Should Start Baby Swimming Lessons ...

Every child should have the opportunity to learn how to swim and the Y will start them off at 6 months old playing, splashing and jumping in the water. Parents will stay with the child until he or she is 3 years old. Watching them transform from nervous new swimmers to experienced swimmers is a great experience for us!
