Students who searched for Time Management Tips for College Students found the articles, information, and resources on this page helpful.

### **Time Management Tips for College Students - Study.com**

Time management experts often suggest planning for just 50 percent or less of one's time. With only 50 percent of your time planned, you will have the flexibility to handle interruptions and the unplanned "emergency." When you expect to be interrupted, schedule routine tasks. Save (or make) larger blocks of time for your priorities.
