John Donne's standing as a great English poet, and one of the greatest writers of English prose, is now assured. However, it has been confirmed only in the early 20th century. The history of Donne's reputation is the most remarkable of any major writer in English; no other body of great poetry has fallen so far from favor for so long and been generally condemned as inept and crude.

Robert Frost was born on March 26th, 1874. One of the most celebrated poets in America, Robert Frost was an author of searching and often dark meditations on universal themes and a

quintessentially modern poet in his adherence to language as it is actually spoken, in the psychological complexity of his portraits, and in the degree to which his work is infused with layers of ambiguity and irony.

Robert Frost was born in San Francisco, but his family moved to Lawrence, Massachusetts, in 1884 following his father's death. The move was actually a return, for Frost's ancestors were originally New Englanders, and Frost became famous for his poetry's engagement with New England locales, identities, and themes.
