Some individuals even give up making a choice altogether and instead listen to what others, for example, their parents, tell them to do. Without considering your own characteristics when choosing a career, it is unlikely you will be satisfied with it.

Job Resources to Help You Choose a Career

Although resumes are composed using standard elements, there is no prescribed format that works equally well for everyone. Sections that do not relate to your objective or career field of interest may be de-emphasized or even omitted.

Cornell Career Services: Resume Parts

Job hunting season is now open. Is your elevator pitch old crooner Liberace or supercool Lorde? If you're selling yourself with an outdated tune, listen in. A beautifully tuned elevator pitch - a summary of your professional self and ambitions - can land you a job. It's your verbal cover letter.

The 30 second elevator pitch that ... - Seek Career Advice AU

The Career & Life Planning Center provides students assistance in making informed decisions about choosing a major and/or career. The CLP Center offers a breadth of resources and services; providing students with a Career/Life Planning Process by exploring one's interests, skills, values, and personality to help identify a major field of study and career options.
