2048 is the smash hit cool math game that took the world by storm. It is a single-player puzzle game created in March 2014 by 19-year-old Italian web developer Gabriele Cirulli. 2048 is played on a gray 4x4 grid with two starting numbers, that are randomly situated on the grid each time you start a new game. Every turn, a new tile with a value of either 2 or 4 will randomly appear in an empty ...

Sugar Sugar is a fantastic drawing physics based cool math game where your mission is to create lines which will act as paths for grains of sugar. Your goal is to guide this sweet powder into the cup of the same color with a help of gravity. To make the white sugar colored, send it through a filter. There can be multiple cups of different colors and different gravity sides in each level.
