First Aid for Elderly and Home Safety

Make sure you have the necessary supplies for your home first aid kit. Don't forget to include extra bandages and essentials for any emergency.

Home First Aid Kit, & Supplies | Red Cross Store

The first aid kit you keep handy in your home is meant to deal with minor first aid issues, and should be separate from the kit you keep with your emergency supplies. That's because you should have some easily accessible first aid supplies in your home that aren't necessarily mixed in with your disaster supplies.

First Aid Kit Contents List: What You Really Need

A well-stocked first aid kit is a must-have for treating minor injuries at home and on the go. You can buy a first aid kit or put one together on your own. Keep your supplies in a sturdy, clear plastic box so you can see what's inside.
