### **Employment Law 2013 Legal Practice**

Labour law (US spelling: labor law, sometimes incorrectly conflated with employment law) is the area of law most commonly relating to the relationship between trade unions, employers and the government.. While the development of the field in different jurisdictions has resulted in different specific meanings of what is meant by labour law, it is generally used in reference to employment

...

An admission to practice law is acquired when a lawyer receives a license to practice law. [clarification needed] In jurisdictions with two types of lawyer, as with barristers and solicitors, barristers must gain admission to the bar whereas for solicitors there are distinct practising certificates. Becoming a lawyer is a widely varied process around the world.
