LGBT themes in comics are a relatively new concept, as lesbian, gay, bisexual, and transgender themes and characters were historically omitted intentionally from the content of comic books and their comic strip predecessors, due to either censorship or the perception that comics were for children. In the Twentieth century, the popularity of comic books in the US, Europe and Japan have seen ...

The Outsiders is a fictional superhero team appearing in American comic books published by DC Comics. As its name suggests, the team consists of metahuman superheroes who do not fit the norms of the "mainstream" superhero community (the Justice League).. The Outsiders has had a number of different incarnations. They were founded by Batman, whose ties to the League had become strained, and ...
