### **Governing The Global Economy International**

The Organization was established in December 1951 and began its operations in early 1952 as the Intergovernmental Committee for European Migration. Its Constitution was adopted on 19 October 1953 and came into force on 30 November 1954. Following amendments made to the Constitution on 14 November 1989, the Organization was renamed the International Organization for Migration

Iraq's economy is dominated by the oil sector, which has provided about 99.7% of foreign exchange earnings in modern times. In the 1980s, financial problems caused by massive expenditures in the eight-year war with Iran and damage to oil export facilities by Iran led the government to implement austerity measures, borrow heavily, and later reschedule foreign debt payments; Iraq suffered ...
