Braid Styles for Grey Hair | Our Everyday Life

I took pictures from the front mainly to show the difference a tight vs. loose braid can make. For younger school age girls, I've found tight French braids are the best at keeping hair contained for a crazy active day of school or sports.

How to get a Tight French Braid - Babes In Hairland

A braid (also referred to as a plait) is a complex structure or pattern formed by interlacing three or more strands of flexible material such as textile yarns, wire, or hair. The materials used have depended on the indigenous plants and animals available in the local area. They have been made for thousands of years, in many different cultures around the world, for a variety of uses.

Braid - Wikipedia
