If you're not sure how to make chocolate chip cookies, try this recipe. It's thick, chewy and the perfect companion to a cold glass of milk.

### **How to Make Chocolate Chip Cookies | Taste of Home**

With spring just around the corner, these Easter bunny cookies are sure to bring out your springtime spirit. Inspired more by Peter Rabbit than the Easter Bunny, I went with a general, spring seasonal design, with carrots rather than Easter eggs. However, if a more festive Easter design is your style, these Easter bunny cookies are easy to customize to fit your upcoming Easter festivities.

### **How to Make Easter Bunny Cookies - Semi Sweet Designs**

These breakfast cookies are a great make ahead healthy option that are also super portable! I've been feeling a little sentimental lately. My little boy is going to be one years old in just a few weeks and I'm not sure where the time went.

I 've done a few experiments and there's no denying it—toaster ovens just make better cookies. Chocolate Chip cookies to be exact. There was a lot of talk last year about “the perfect chocolate chip cookie ” and although I am sure those other versions were wonderful, I still firmly believe there’s no beating Ruth Graves Wakefield’s original Toll House Cookie recipe for taste, and ...

I’m not going to lie to you- this is one of the most difficult projects I have undertaken in a while. If you attempt to make this dessert, please note that it is not as easy as the internet leads you to believe and you can’t just pour it on any cake to create the mirror effect.

#### **How to Make a Mirror Cake (Mirror Cake Glaze)**

hi rox, the black was dropped in. the base color is pretty light, but the drops of color get mixed in naturally when you are dragging the cookies along the surface of the glaze. hope that helps! also, the glaze should last for a couple of days (covered and wrapped), but don’t add the color in until you glaze the cookies, which you should do on the day of the party.

Having recently conquered Tate's-style thin and crispy chocolate chip cookies, I felt compelled by Newton's law to create an equal and opposite reaction: Levain-style thick and chonkin' chocolate chip cookies. For those who reside neither in New York City nor on Instagram, Levain is a bakery that ...
