Now that it's been a week since Google+ rolled out pages, we've gotten over our euphoria at finally getting the feature after a long wait, and reality is starting to sink it. It's not as flexible as a Facebook page, it seems to be time consuming, and you can't even get a unique URL. On the other hand, your Google+ page will show up in Google searches, and help bump you up a bit.

How to Make the Most of Your Google+ Page « Google+ ...

Across the country, thousands of college students are preparing to start summer internships, which are a crucial way to get experience and launch your career.
