Nepotism in Indian politics. The seed of nepotism has been a blatant commonality in Indian Politics; the major parties have planted it into the political fabric of our country and these family cartels are now seen as the runners of the show. The primary products of this are the political parties that have controlled the developmental reins...

Yes, as a part of the public we are! Nepotism in politics can be termed as "springing-out" from the urge to survive. Political families take such steps to strengthen their personal survival, survival of their families and survival of their groups.

### **Nepotism in Politics » Trending Us**

Nepotism is inherent in both humans and animals. Some animal societies are more or less nepotistic than others, but there is no society in which individuals are biased in favor of non-kin and against their kin. The reason nepotism exists is a phenomenon called kin selection. By helping relatives with whom they share genes, individuals increase the probability that their own genes will be ...

### **Nepotism and Politics - Chicago Scholarship**

Answer Wiki. Nepotism in politics isn't bad. Nepotism in governance is. Let's say a party leader appoints his son to a senior party position. If he is capable, cool beans. If he isn't the party suffers and loses support. So the only losers in this case are the party itself. Now in governance, if someone is appointed because...
