This post was written by Karina Kletscher, spring intern in the Smithsonian Libraries Research Annex. As a student in my second semester of my Master's in Library and Information Science program, my goal was to find an internship that would fill the gaps in my experience and curriculum.

Smithsonian Libraries

Welcome to the largest publicly-funded library in New England, home to the tallest academic library building in the world. Proudly supporting the teaching and research mission of UMass Amherst.

UMass Amherst Libraries

OPAL: Online Programs for All (no longer active) OPAL was an international collaborative effort by libraries and other organizations of all types to provide web-based programs and training for library users and library staff members. These live events were held in online rooms where participants interacted via a/b testing software, voice-over-IP, text chatting, synchronized browsing, and more.

OPAL: Online A/B Testing Programs for All

Librarians understand that innovation is important to the future of public libraries. One need only look through the program listings for any library conference, through the titles of recent articles in library journals, or newer position descriptions from public libraries to observe that the words “innovation” and “innovative” have become ubiquitous.

Innovation in Public Libraries » Public Libraries Online
