Comparative Law and Legal History . Legal historians have sometimes studied the law of one place and time while disregarding that of others. Comparative lawyers have sometimes compared the law of different jurisdictions while ignoring the historical reasons they are alike or unlike.

**Oxford Handbooks - Scholarly Research Reviews**

In this short statement, which Winnicott calls a 'personal rethinking on work with children', Winnicott not only discusses work with the children themselves, but also with parents, families, guardians of all kinds, schools of various types, social groupings and other environmental facts and factors, and indeed the state of society.
