

## *Political Communication In The R Lic Of Ireland*

### **Political Communication In The R**

Political communication(s) is a subfield of communication and political science that is concerned with how information spreads and influences politics and policy makers, the news media and citizens. Since the advent of the World Wide Web, the amount of data to analyze has exploded, and researchers are shifting to computational methods to study the dynamics of political communication.

A political campaign is an organized effort which seeks to influence the decision making progress within a specific group. In democracies, political campaigns often refer to electoral campaigns, by which representatives are chosen or referendums are decided. In modern politics, the most high-profile political campaigns are focused on general elections and candidates for head of state or head ...
