### **Political Economies Of The Aegean**

The Minoan civilization flourished in the Middle Bronze Age on the island of Crete located in the eastern Mediterranean from c. 2000 BCE until c. 1500 BCE. With their unique art and architecture, and the spread of their ideas through contact with other cultures across the Aegean, the Minoans made a significant contribution to the development of Western European civilization as it is known today.

A palace economy or redistribution economy is a system of economic organization in which a substantial share of the wealth flows into the control of a centralized administration, the palace, and out from there to the general population, which may be allowed its own sources of income but relies heavily on the wealth redistributed by the palace. It was traditionally justified on the principle ...

PREDICTION: Just like the Brett Kavanaugh debacle, the left will now overplay their hand and alienate every moderate in the country. The Result? Trump is re-elected in 2020 and takes BACK the house. Meanwhile, Trump's machine is fullsteam ahead with an historically powerful, Republican senate that owes Trump complete loyalty for his campaign support.
