A same-sex relationship is a relationship between persons of the same sex and can take many forms, from romantic and sexual, to non-romantic homosocially-close relationships. The term is primarily associated with gay and lesbian relationships. Same-sex marriage refers to the institutionalized recognition of such relationships in the form of a marriage; civil unions may exist in countries where ...

For much of history, homosexuality has been hidden away—if not in closets then in the privacy of people's homes. Because of social stigma or cruel punishment, people were unable to live their lives openly. Yet history is littered with people who have formed strong same-sex relationships, whether ...
