Rns 315 V 8 Map

The map update is now \$99. Used to be \$199 in the past, however, in the age of smartphones and free map updates \$99 is still too expensive. Given the expensive RNS-315 unit why not free map updates VW? Would be great if at least the first three years are covered.

Hi: How does the RNS 315 obtain its map data? Does it, for example, require a DVD or CD with that map data to be inserted into the head unit and from there the information on the DVD or CD is loaded into the system? Or is the map data on a secure digital card which needs to be inserted into the head unit's SD card slot? If so, does the dealer provide the DVD/CD or SD card to the buyer with the ...
