

Safer Sex In Personal Relationships The Role Of Sexual Scripts

Safer Sex In Personal Relationships

The phrase 'safe sex' is expected to apply to the body, but your heart is just as important. Sadly, you can't protect your emotions with a packet of three, but a few bits of common sense can prevent you getting into obviously heart-breaking situations.

VOCABULARY. A heterosexual woman is a woman who is sexually attracted to men (sometimes known as a straight woman). In Britain, if you describe a man as your boyfriend it means that he is your partner. If you are talking about a general friend and want to make it clear that it is a man, you can say male friend. Common slang words for men include bloke, fella and guy.
