Little House on the Prairie, published in 1935, is the third of the series of books known as the Little House series, but only the second book to focus on the life of the Ingalls family. The book takes place from 1873-1874. The book tells about the months the Ingalls family spent on the prairie of Kansas, around the town of Independence, Kansas. At the beginning of this story, Pa Ingalls ...

Treatment 3: High RF Frequency Generator and Plasma Ray Tube Amplifier. Our experience has shown that the combination of Collect, Budwig, and the High RF Frequency Generator with Plasma Amplifier is a very potent combination. Each does something different and each is important for those who can afford an electromedicine device.
