UAE Labor Law

International labour law is the body of rules spanning public and private international law which concern the rights and duties of employees, employers, trade unions and governments in regulating the workplace. The International Labour Organization and the World Trade Organization have been the main international bodies involved in reforming labour markets.

International labour law - Wikipedia

Labour law (US spelling: labor law, sometimes incorrectly conflated with employment law) is the area of law most commonly relating to the relationship between trade unions, employers and the government.. While the development of the field in different jurisdictions has resulted in different specific meanings of what is meant by labour law, it is generally used in reference to employment ...
