The Division of Drinking and Ground Waters (DDAGW) rules were promulgated under U.S. EPA's Safe Drinking Water Act (SDWA). Rules for Ohio public drinking water systems are adopted under Ohio Revised Code (ORC) Section 6109, and rules for Underground Injection Control, under ORC 6111.043. Ohio Administrative Code (OAC) rules administered by DDAGW are located on this page.

### **Rules, Laws, Policies and Guidance**

The rapid scale up of the response has been accompanied by an increasing emphasis on measurable indicators and results. These include programme monitoring data, behavioural and biological trends data and evaluation of programmes. The increasing demands on country monitoring and evaluation systems can only be met if better systems are built and supported.
