

## *You Jane By Elizabeth Fountain*

### **You Jane By Elizabeth Fountain**

Fountain has a unique writing style that has an almost fairy tale like quality. Yet her characters are very realistic, so that you feel like you've known them a long time by the time the book is done. In all, an enjoyable story, with many stories within the main story, all tying together in the end in a lovely way.

One of the beautiful and disturbing elements of small-town life is the inevitability of encountering people you know in one context - work, or school, or that time you were called to jury duty - in a completely different context, and having to be polite. Allison experienced this daily in her new job at the office supply store.

I'm Elizabeth Fountain, an author living in a small town in central Washington state. I write stories that capture the delight and unintentional humor of everyday life, seen through the eyes of aliens and angels, Death and dogs. I love books, movies, dogs, cats, vegetarian food (yes, French fries are vegetarian). My philosophy of writing...
